

**Ameren Illinois Company
Response to Grain and Feed Ass'n Data Requests
Docket Nos. 11-0279 and 11-0282 (Cons.)
Proposed General Increase in Electric and Gas Delivery Service Rates
Data Request Response Date: 5/3/2011**

GFA 2.11

Referencing Mr. Jones' Direct Testimony (Exh. 13.0E), beginning at Line 757, and the attached Circuit Study (Exhibit 13.6E): Did the coincident peak study adjust load data for all distribution switching operations at times when a NO switch was closed or a NC switch was open?
